A Message from the Premier

to

Her Holiness Shri Mataji Shri Nirmala Devi

As Premier of the province of British Columbia, I would like to extend my warmest wishes to you on your 87th birthday.

From a young age you have dedicated your life to helping others and have become an inspiration in India and beyond. I am sure you have many touching and motivational stories to impart from your youth in India and of your sharing of Sahaja Yoga Meditation around the world.

I hope you enjoy a wonderful birthday celebration with your friends and family.

Sincerely,

Gordon Campbell
Premier
